STRATEGOS

Master of Science on Modelling, Engineering and Strategies on Operations and Systems

Name Carmine Cerrone

Affiliation DIEC, University of Genoa
Department of Economics &
Business Studies (DIEC)

Office DIEC, University of Genova

Address Via Vivaldi, 5, 16126 Genova, Italy

Tel +39 010 209 5009 (Contact Center)

Email carmine.cerrone@unige.it

URL www.itim.unige.it/cs/strategos/year/2019/strategos_cv_carminecerrone.pdf

I am researcher (RTD-B) of Operations Research at the Department of Economics and Business Studies, and I teach:

- Operations Research for Supply Chain Management - Master of Science in Management;
- A module in the course of Strategic decisions: models, methods and game theory - Master of Science on Modelling, Engineering and Strategies on Operations and Systems.

•

My main research activities include the application of optimization techniques to:

- Distribution network design / hub location / location-routing problems o Multimodal networks design with externalities;
- Distribution plans /vehicles routing problems;
- Routes planning for drones;
- Spanning tree problems;
- Problems defined on labelled graphs.

I am member of the

- Editorial Board of Soft Computing, Springer (Associate Editor);
- PhD Board in Biosciences and Territory (University of Molise).
